August 2022

NOTES:

Eds Tahoe Nugget has been converted into an office-retail building without gaming.

The Mariner is not in operation and the structure has been demolished.

Some of the figures include "approved but unbuilt" area.

In 1993 the NTRPA acknowledged that 10,879.5 sq ft of private use area in the Crystal Bay Club had historically been and may continue to be in public use, but may not be used in calculating the base and the allowable gaming area.

In 2000, the NTRPA approved changes to the base data to the Hyatt as part of a renovation project.

In 2011, the NTRPA seperated the North Casino from Harrah's.

In 2018, the NTRPA recertified the total cubic volume of the Cal Neva.

In 2022, the NTRPA retired the certified base data for the Lakeside Inn.
