

Springs Preserve

Chaunsey Chau-Duong, Principal Management Analyst

Listed on the National Register of Historic Places since 1978 and commonly known as the "birthplace of Las Vegas," the Springs Preserve is a 180-acre cultural institution designed to commemorate Las Vegas' history and to provide a vision for a sustainable future.

Our mission is to create a visitor experience that builds culture and community, inspires environmental stewardship and celebrates the vibrant history of the Las Vegas Valley.

People of the Springs

- Native Americans
- Explorers
- Early Ranchers
- Railroad workers

The Preserve offers arts and cultural programming, educational offerings, recreational activities and special events all designed to strengthen community, celebrate diversity and make living in Las Vegas an exciting experience.
