

APPLICATION FOR SHORT-TERM USE OF TAHOE STATE-OWNED PARCELS

Urban lots managed by the Nevada Division of State Lands (NDSL) were acquired with funds authorized by the Tahoe Basin Act and subsequent programs. These parcels are recognized as environmentally sensitive and management of these parcels as conservation areas is an important part of the State’s commitment to preserving the water quality and clarity of Lake Tahoe. State-owned urban lots are visited each year by NDSL to conduct forest health and hazardous fuels reduction treatments to protect the soils, native vegetation and wildlife habitat. Use of these parcels for snow storage or other short-term uses may be permitted provided that the natural landscape is not disturbed and NDSL determines that there will be no environmental damage to the property. Property owners may not access or do work on the urban lots without prior authorization from NDSL.

Applicant’s Name: _____

Date: _____

Applicant’s Address: _____

Telephone Number(s): _____

Applicant’s APN: _____

Email: _____

Anticipated Start Date of Project: _____

Assessor’s Parcel Number (APN) and physical address of the state-owned parcel(s) being requested for use:

<u>APN</u>	<u>STREET</u>	<u>TOWN</u>

Describe the activities you are proposing to conduct on the state-owned parcel(s).

Provide a detailed project description (including any equipment, temporary structures, improvements, or disturbance including removal of fill material) and map showing the areas of the state-owned parcel (s) that will be accessed.

Has any agency denied approval for the activity or any portion of the project? Attach copies of permits or other authorizations related to this project issued by other agencies.

Describe in detail why the activities require the use of state-owned parcels and no other option is available to use private lands or public rights-of-way.

If additional space is needed, attach additional pages with the above requested information.

This application requires a non-refundable Commercial (\$500.00), Agricultural (\$300.00), or All Other Uses (\$250.00) application fee to be submitted with this application. If the application is approved, the use fee for each parcel being requested is \$250.00. Payment is due at the time of the approval of the permit or right of entry authorization by the State Lands Administrator.
