Thank you:))!!

From Cassie Hall to Everyone 11:51 AM

I am going to have to leave a little early. I have been dealing with an unexpected employee issue during this meeting. I did get to listen to most of it after our updates and wanted to thank everyone for their presentations. It is so nice to hear rural issues articulated so succinctly. We are grateful that we are being included in the discussion regarding how to spend state and federal pandemic and infrastructure dollars. Mineral County is navigating all things BLM and PILT to identify creative solutions to plan long term ways to generate revenue. I'm sorry I missed updating you and will hopefully have some solid progress to report next time. Everyone have a great weekend!

From Joseph Lednicky to Everyone 12:23 PM

Thank you everyone. I have to head off
