Please provide all requested and applicable information listed in the Lake Tahoe License Plate Program Grant Submittal Requirements document. In addition, please thoroughly review all other sections of the Lake Tahoe License Plate Program Grant Procedures for evaluation criteria, requirements of grant recipients, match requirements, and acceptable uses of grant funds. All monitoring and research proposals will be peer reviewed using the Technical Review Criteria form provided in the Lake Tahoe License Plate Program Grant Procedures.

Funds can be provided for programs such as, but not limited to, implementation projects to improve the environment (e.g. water quality improvements, recreation features, etc.), education and outreach, scientific research, and monitoring. Proposals for projects listed on the TRPA 5-year Environmental Improvement Program list will be prioritized for funding this round.
