**WARNING** - This email originated from outside the State of Nevada. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear NTRPA Governing Board,

We need to establish our independence from the LTVA/Tahoe Chamber/Prosperity Center. Their idea of prosperity is self-serving, forced, and unwanted in our town. The cell tower fiasco is the culmination of years of abusive overtourism by these organizations.

Hedi Hill-Drum, you are hurting us:

A photograph of a tall, slender pine tree with dense green needles, reaching towards a clear blue sky. To the right of the tree is a wooden utility pole. A black, cylindrical pipe or vent extends from the top of the pole. Several power lines are visible, crossing the scene diagonally. In the lower foreground, there are some yellowing leaves of deciduous trees. The text "Dream Home Ru" is overlaid in a red, serif font across the middle of the image.

Dream Home Ru

Steve Teshara, we are a casualty of overtourism:

**Dream Home Ru**

Please respect us, our property, our bodily integrity. We don't do this to you, so don't do it to us.

Thank you

John Carlos
