**NDSL Navigable Waters Permits – Lake Tahoe  
Insurance Company List**

State of Nevada Risk Management has set requirements for NDSL's navigable waters permits and other authorizations. Below is a list of insurance providers who have issued policies that meet Nevada's Risk Management standards.

**This list is not an endorsement of any carrier by NDSL. It is provided for informational purposes only.**

If you are an insurance carrier that issues insurance policies that meet State of Nevada Risk Management Standards and would like to be added to this list, please email [statelands@lands.nv.gov](mailto:statelands@lands.nv.gov)
