

# Nevada Economic Assessment Project (NEAP)

# What is NEAP?

1. Process to develop and maintain an extensive **data repository** and set of **analytical methods** that are meaningful, consistent and verifiable.
2. Use data and analytical tools to **engage** and **educate** agencies and communities and assist with planning and policy analysis.
3. **Partner** with entities **across the state** to gather primary data and survey and perform economic studies and analyses.

# Data Repository

# Engage and Educate

# Partner Across the State

## Better Data Guides Better Decision-Making

NEAP has partnered with agencies across the state to help create a quantitative backing to use for decision making.
