Subject: RE: NIC Update

Since we didn't get to do our reports, will you ensure that Candace's information gets shared after the meeting via email? Also, I was going to report that Chair Amber Torres, Walker River Paiute Tribe, has been appointed to the Secretary of Interior's first-ever Secretary's Tribal Advisory Committee, joining other federal agencies with similar advisory panels. Here's a link to a story about it: [Tribal leader in NV named to first-ever Interior tribal advisory panel - and she has a to-do list - Nevada Current](#).

Thank you.
