Good day NTRPA Governing Board,

The NTRPA, just as the Cities, and the [County Health Departments](#), ought to be mitigating cell phone radiation as an emerging public health crisis:

YOUR DNA **CAN'T** **TELL THE** **DIFFERENCE**

Cell Towers and Phones
are
cancer-causing

and be an example for [our children](#):

CELL PHONES

BRAIN POISON

Cell Phones are addictive, but RFR's also a neurotoxin that can harm developing brains. And the changes can be permanent.

Your inaction has resulted in the senseless loss of human life. Thank you for your reflection on this matter.

Best,

Patrick Henry
